## April 2010 Newsletter

Join us at the MS Walk May 2nd!

### The Door

We ask that you wait on the porch if you notice a pup being dropped off or picked up. Just like high school, not every pup is the best of friends. And that is especially true in a small space, while on a leash, and with Mom or Dad standing there! So for everyone's safety, we ask you to peak in before entering. Thanks for your understanding with this.

### Fleas are Out!

They are out and about! Studies are showing that this year will be particularly bad due to all the snow and rain we have had. We do recommend using a flea & tick preventative year round. But if that is not in your cards, time to start for the season! We will keep you in the loop if there are any sightings around our way.

### Class Photos!

It will be here before you know it! Angela from Pooch Smooch will be back the week of July 19th for the Annual Class Photos. In addition to the plain background, there will be another option to choose from. If there is any background or specific props you would like, let us know! We will do our best to accommodate you! As always, there is no obligation to purchase. We want as many of the kids to be included! So if Day Care is not in your plan for that week, we can set aside a time for your pup to come in for his or her photo shoot!

### The Royal Court of the Month

**Belle**, a pretty Hound Mix, is a feisty little chick! But under that tough exterior, she is the biggest hugger out there! She is a complete love bug that we all want to take home.

**Cooper**, a handsome Yellow Lab, is the original Marley! Despite the fact he manhandles the women in his life, he is completely irresistible! Who can say 'no' to that face and curly tail!

We honor these two together for one simple reason. They are like the Captain of the Football Team and Head Cheerleader when we were in high school!

Congrats to the Kids!

*Heading to the vet?  
Please get an updated copy of your  
pup's shot records.  
Some offices will not release shot  
information to us when we call.*

### News!

The entire staff was recertified by the American Red Cross in Pet CPR and First Aid! Though it is a lifetime certification, we all attended for the second time as a refresher!

A Big Congratulations to Reilly & his parents Brandi & Don! They are expecting a baby later this year!

Best wishes to you all!

### Summer Parking

Parking is not allowed in front of the building on Tuesdays from 8 to 8:30am for cleaning. They WILL ticket! Pull right into the bank if you need to. They like us!!

### Upcoming Vacations

Before you know it, vacation season will be upon us. As many of you know, some of the staff does in-home pet sitting. In an effort to help you plan, here is the contact info for the 'sitters'. If interested, please contact them directly.
