Christmas City Veterinary Hospital

Opening this week! Call to make appointments at 610.419.6300. Dr. Cawley and her staff are accepting new patients. And for obvious reasons, Christmas City Veterinary Hospital will be our Emergency Vet. God willing we never have to step in the building for those purposes, but nevertheless! A familiar face will be joining the team over there as well...Kacy! So excited for her! But don't fret...she will still be here as well!

The Royal Court of the Month

Bailey H, a Lab Mix, can be found amongst her friends 'smiling'! Always ready for a good time, she has added Bee Taming to her list of 'likes'. Never a mean bone in her body, she is a true joy to spend the day with.

Saxon, a German Shepherd pup, is quite the social butterfly! Don't let his quiet demeanor in the morning fool you! He is a wild man when Mom is out of sight. And he will keep everyone busy during the day!

Congrats to the kids!

News You Can Use!

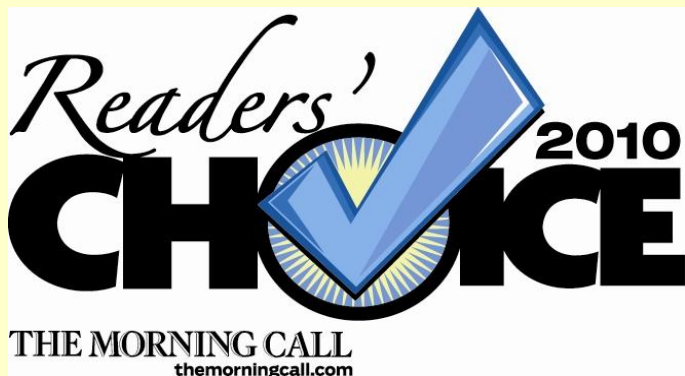

We have been granted the use of the drive thru lane at Christmas City Veterinary Hospital for loading and unloading your pup at drop-off and pick-up. Look for the cute sign to come!

What are you doing on Saturday, August 20th between 5-10pm?? Going to Christmas City Veterinary Hospital's Open House of course! Stop on by to check out the new facility and meet Dr. Cawley and her staff. Chance to win an iPad!!

Think your pup is gorgeous? Check out Exceptional Canine on Facebook. Submit your pup's photo for a chance to win a year's worth of food!! Thanks Molly C. for the info!

We will be closed on Monday, September 5th for the Labor Day holiday.

Thank you for voting us Best Pet Day Care in the Lehigh Valley for three years in a row!
