

Ruff! Be Sure To Apply For Dog License!

- **What:** Dog license applications for 2009. State requires that all dogs three months or older be licensed by January 1 each year.
- **When:** Apply before January 1 deadline.
- **Cost:** An annual license for spayed and neutered animals is \$6. Lifetime licenses also available.
- **How to Apply:** See attached application and mail into your county's treasurer office or visit a store on the attached list. Must purchase from a store in the county in which you live!
- **WARNING!** Fees collected from dog licensing benefit the Dept. of Agriculture's Bureau of Dog Law Enforcement. Failing to license a dog is a summary offense and can result in a \$300 maximum fine for each unlicensed dog.

The Royal Court of the Month.... Caymus, a Standard Poodle, is an old pal from the dog park to many. She is especially fond of her "poodle mix" friends!

Grizzly, a Yellow Lab, is a big goofy pup! Regardless of shape or size, he'll romp with you! While wearing a stylish coat with coordinating bandana of course!

Congratulations to the kids!
