Class Portraits

It is that time of year again! Angela from Pooch Smooch will be here the week of July 19th to take photos of all dogs attending day care. As always, there is no charge to have your pup's picture included in the class photo. Additional shots will be taken, including the seasonal theme. Feel free to bring in any props or clothing for your photos. If you have an interest in purchasing any photos, you will have the opportunity when you pick up in the evening. So please allow some extra time when you arrive.

If your pup will not be attending day care that week (July 19-23) and wish to have your pup included, please just give us a call! We can schedule a time for you to come in.

Schedule

Please let us know if your pup's schedule will be changing due to vacation. As you may know, we staff based on reservations. We don't want to be short on ball throwers!

For those of you that do not use our services on a routine basis during the school year, the summer is a great tie for those day trips! Remember we are here Monday through Friday from 7am to 7pm.

Sookie, a lovely German Shepherd and Maggie's sister, is the Activities Coordinator for The Puppy Palace. When not greeting Buddy upon his arrival, she can be seen romping up and down the yard or in the pool. A big love bug, Sookie makes our family here complete.

Bruno, "Mister Excitement", was not a fan of people when he first arrived. Mere days later, the kisses are a-flying! Bruno will play with any pup, upright or sleeping! He is the dog to thank when your pup goes home exhausted!

Congrats to the Kids! You both make this place a ton of fun!

News You Can Use!

Parking is now available at the old PNC Bank due to their move. We still recommend just pulling into the drive-thru for pick up and drop off.

Flea & Tick Prevention is strongly recommended. The little buggers are out and about! Cases of Bordetella have been reported at some area vets. It is required for daycare, and all of our guests are vaccinated for it. It is also good to have if you get your pup groomed, go to the dog park, or board.

Reader's Choice voting starts this month. If you like what we do, please help make us the Best Pet Day Care in the Lehigh Valley for the third year! No worries...we will let you know when the ballots are out!

Monica is available for Pet Sitting for anyone interested. Easiest way to reach her is via email at hippiebuddy2@yahoo.com. Her services are separate from The Puppy Palace.

Nicole has joined the Vet Tech staff at Lehigh Valley Animal Hospital on Route 512! Say hi when you are in for your next visit!
