The Royal Court of the Month

That time of year again! Pooch Smooch Photography will be here the week of July 18th to 22nd. All pups attending day care that week will be included. No need for day care? Give us a call and we will schedule a time for you to stop by. The standard portrait background will be available in addition to an antique wheel barrel with fall foliage. We hope to have as many pups photographed as possible! Especially all the new additions to The Puppy Palace family!

Late Pick-ups

After five years of being in business, we are now forced to implement our late fee policy. We understand that things happen, like traffic. We just ask for a phone call as soon as you know you will be past the 7pm pick-up time. For any other reason, please make arrangements with Shannon. Should you be past 7pm, the late fee structure detailed in your enrollment packet will be enforced. Unfortunately, we have had a few too many occurrences in the past few months. We appreciate your cooperation with this matter. If you have any questions, please speak with Shannon.

Happy Anniversary!

To Lissa and Eliza! Both ladies mark their one year anniversary in the month of July! We are so happy to have both on our team! They bring such enthusiasm and love for the pups. Thanks for all that you do!

Maggie, a Pit Mix, is fondly referred to as Maggasaurus for her outspoken way. Once quite timid, Miss Maggie has a soft spot for the smaller pups. But don't let her fool you. She will hold her own with any size!

Hunter, a Beagle pup, is the life of the party! Fearless does not even describe him! He will play with any dog with four legs. We all get excited when he arrives.

Congrats to the kids!

News You Can Use!

Dr. Cawley & Christmas City Veterinary Hospital will be opening July 25th! And good news! They are now accepting appointments! Call her and her head tech Michelle at 610-419-6300. You can also find her on Facebook and online at christmascityvet.com. Dr. Cawley will be making an appearance or two prior to opening to meet you and your pup. It is important to us that you are comfortable with our 'emergency vet'.

Also, arrangements are being made for us to offer 'transportation' to and from a well/annual appointment. We would be able to take your pup over for a routine exam, stay with him/her during the appt., and bring back to day care for a nominal fee. More details to come.

Plus, we have been granted the use of the drive thru lane for loading and unloading your pup at drop-off and pick-up. Look for the cute sign to come!

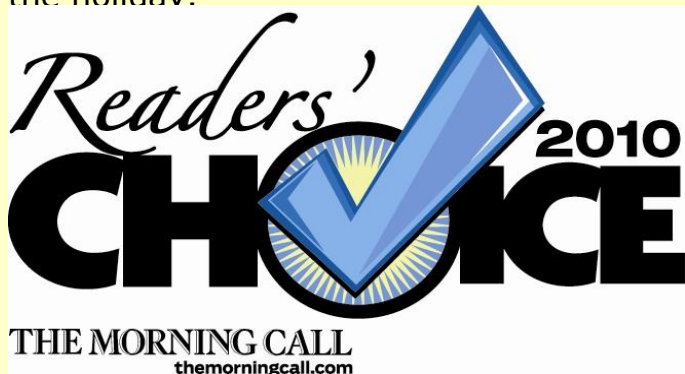

Congrats to.....

Oswald and his family! They are expecting a little baby boy in November. Stella, Rio, and their family on their move to Texas! They are also expecting a little bundle!

Abbey and her family on the birth of little baby boy Harrison!

Lambert and his family on the birth of little baby boy Christian!

We will be closed on Monday, July 4th for the holiday.

Happy Birthday to You!
