### Class Portraits

It is that time of year again! Angela from Pooch Smooch will be here the week of July 19<sup>th</sup> to take photos of all dogs attending day care. As always, there is no charge to have your pup's picture included in the class photo. Additional shots will be taken, including the seasonal theme. If you have an interest in purchasing any photos, you will have the opportunity when you pick up in the evening. So please allow some extra time when you arrive.

If your pup will not be attending day care that week (July 19-23) and wish to have your pup included, please just give us a call! We can schedule a time for you to come by.

### Introducing Kacy!

We are ecstatic to introduce you to Kacy! She is going to be starting with us this month. You will start to see her on a more routine schedule in July. She will be with us in the afternoons and some mornings in the fall. Some may recognize her from Susan's Deli! She will be entering the Vet Tech Program at Northampton. She is a little ray of sunshine!

### The Royal Court of the Month

**Marley**, a very bubbly Golden, can be seen instigating play with everyone! He is mostly known for bringing others out of their shell! We can always count on him to be in a chipper mood every visit!

**Jack**, mostly known for being attached to a ball, swaggers in the building without a care in the world. And then....the hunt for balls and all things that look like a ball begins! Quite photogenic, Jack is also known to his friends as "Toasty", "Yosty", and our favorite, "Jackman Pacman".

Congrats to the Boys!

## News!

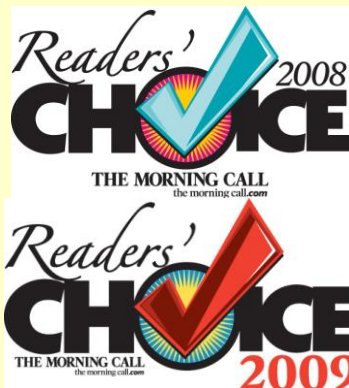

The Halloween Parade is Sunday, October 31<sup>st</sup> this year. We will be participating as always! You and your pup are invited to join our "Zoo" themed march! We are asking that all pups and children dress as a zoo animal, while owners dress as the zoo keepers. More details will be coming as we approach, but we want you to mark the date! We are reigning champs, you know!

We are still trying to get the final date for this year's Doggie Day in Bethlehem.

## Parking

- The PNC Bank will be closing the branch next to us and moving to their new location on 8<sup>th</sup> and Eaton. We are not sure if a new tenant will be immediately going in. With that said, parking will most likely be available in their lot and in the drive-thru lane.
