Turf!

We are currently investigating our options with artificial turf for the backyard. While it will be a large expenditure, there appears to be too many benefits to pass it up!

Turf would allow the pups to stay tidier while playing, thus cutting down on dirt being sent home. It would all around be a cleaner option.

We just have some logistics to work out prior to pulling the trigger, but we are literally busting at the seams with excitement! Too much to not share! We will keep you posted on the process.

Class Pictures

Angela from Pooch Smooch will be with us the week of July 18th for Class Portraits! Any pup attending day care that week will be photographed. No need for day care that week? Please give us a call and we can schedule a time for you to stop by. Classic and Fall themed backgrounds will be available. More details will come next month along with pricing. We can't wait to see all the kids in their best attire!

The Royal Court of the Month

It is with much sadness that we say goodbye to Max and Casey. "The Big People" are moving back to Boston in the middle of the month.

I still remember when these gentle giants walked into The Puppy Palace for the first time in April 2009. They took my breath away. And they have forever found a place in all of our hearts.

We have enjoyed all the time we have spent with you, and we are sad to have to say goodbye.

To Max & Casey....we love you both!
