

Flea & Tick Prevention

It is that time of year again! Though we recommend keeping your pup on preventative medicine for fleas & ticks year-round, now is the time to start it up!

Please read...your pup will be screened for those yucky fleas upon entrance into The Puppy Palace. If any flea dirt is found, we will bathe your pup immediately and charge your account for the service or you will have to take your pup home. A flea infestation will not only require us to close down and disinfect, but would also inconvenience all of the other owners. Thank you for your understanding with this matter! And here is to a Happy, Healthy Spring!

Bordetella

Just a reminder~ Many vets are now recommending the Bordetella vaccine every six months for dogs that are boarded, attend daycare or training, or may be groomed.

Breakfast

As you may have noticed, some of our pups are quite excited when they arrive. If your pup normally eats breakfast before arriving, you may want to make sure he or she does so at least thirty to sixty minutes prior to coming. That way they have time to digest!

Vacations

Ahh! Vacation time is upon us! If your pup will not be here on his or her scheduled day, please let us know. We get worried when a pup does not show up!

Puppy Pictures!

The week of July 6th will Class Portraits! All attending day care will be photographed. If interested in purchasing, you will have the opportunity to proof and order that week when you pick-up. More details to come!

The Royal Court of the Month...

Bauer, a Black Lab whose Palace name is "CHICKA!", has brought joy & entertainment to our lives. His Super Fly Snuckas will live on as he departs for Boston.

Since it has taken him over two years to finally earn this title, it is only appropriate that he not have to share the throne!

*Congratulations to Chicka!
YOUR CONSTANT HUMAN CONTACT
WILL BE MISSED MORE THAN YOU
KNOW!*

And Best of Luck to Dave! May he find his ideal job close to us so we don't have to lose our CHICKA!

WE ALSO OFFER HALF DAYS!

HALF DAYS ARE ANY FIVE HOURS.

THE COST IS \$16.

ANY OVERAGE WILL BE CONSIDERED

A FULL DAY.

THE PUPPY PALACE - MAY 2009

Pool Opening!

We got lucky with a few nice days in April. But the "official" pool opening will be in May! Lifeguards are on duty at all times, some more trained than others (Sinatra may decide not to respond to a distress call). Pool shuts down after lunch, just in time for all the pups to dry off before heading home!

Parking Update for Tuesdays!

Street Cleaning will resume on April 1st in the City of Bethlehem. Owners are STRONGLY urged not to park on our side of the street between 8 - 9am. YOU WILL BE TICKETED! Pull into the PNC lot or drive thru if need be. Thanks!

Important Dates

We will be closed on Monday, May 25th for Memorial Day.
