November 2011 Newsletter

New Cleaning Products

We have had a few reports lately about pups experiencing sensitivity in their paw pads after a day of play. Normally, it had always been an isolated incident. But it appeared not so isolated anymore. So that prompted us to start looking into different cleaning supplies that would be gentler on those precious paw pads. And presto! We were successful!

We have started using three different products from ProVet Logic. They are manufactured in nearby Reading and endorsed by some of the area's leading Vets. We have been thrilled with the results! Made with all natural enzymes, the products are non-toxic and have lasting effects. Other area businesses using these products include Cummings & Maple Hills Animal Hospitals and the Lehigh Valley Zoo.

Please let us know if you have any additional questions about these products. Please feel free to ask any of the staff. You may also check them out at www.provetlogic.com. Thanks for your feedback!

Other Stuff

We will be **CLOSED** on Thursday and Friday, November 24th & 25th for the Thanksgiving holiday.

The Royal Court of the Month

The Royal Court

Otto, a Yellow Lab, started to join his little brother Mowgli here at day care. Mom was a little unsure how he would do. And boy did he have a great time!!! As soon he walks in the door, to the ball bucket he goes.

Mowgli, a Black Lab, would remind you of a young Bauer! He is also known as "Mitts of Fury" for his days of doing the Super Fly Schnucka with his protective mitts safely on his paws. He goes hard from the moment he arrives until Mom comes to get him.

The brothers are a great addition to The Palace! Congratulations to them both.

Power!

What a random storm that was! We want to thank you all for your patience and understanding during the recent snow storm. I am glad everyone is safe and sound. A huge thank you to my staff for all of their help getting the yard cleaned after our neighbor's tree decided to rip our power line off the building.

With that awful weather, the Halloween Parade was also postponed and rescheduled to Sunday November 6th. Due to lack of interest in the new date, we unfortunately had to scrap it. But that will just make it even bigger and better for next year.

Thanks again for your interest in participating!

Turf

We have not forgotten... Lissa will not let me! The plan for artificial turf is still a go....I swear! Prior to and including the crazy storm, we have encountered some unforeseen complications. But we are still on track. We appreciate your patience. With that said, if you ever have concerns with your pup and his/her appearance after a day of play, please let Shannon know. We do try to return your pup to you with the same appearance in which he/she arrived.

Welcome to our New Guests!

Remy	French Bulldog
Daisy	French Bulldog
Pippi	Lab Mix
Sammy	Yellow Lab
Ellie	Boston/Spaniel
Annie	Havanese
