

Voted #1 Pet Day Care for the Second Year!

We were voted the Best Pet Day Care in the Lehigh Valley for the second year in a row! Thanks to all who voted in The Morning Call's Readers' Choice Poll. We are only as wonderful as our pups, their parents, and our staff! This award means the world to us! Thanks!!!!

Halloween Parade

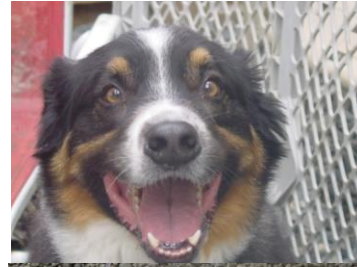

Join us as we prance down Broad and Main in Bethlehem's Halloween Parade on Sunday, Oct. 25th. Attached is a detailed description of the day. We would love for you and your furry kid to join us! We have extra costumes.....hint!

"Here!"

That has been the magic word! With our growing number, we were given some fabulous suggestions from a well-respected trainer. A trainer that a handful of you have and are working with. When dogs start to focus on outside stimuli (neighbors, trash trucks, neighborhood dogs), we are using the command "Here!". Once we have 'four on the floor', each pup responding is receiving a small treat. After about two weeks, the treats will become sporadic. We have seen such progress in our short time doing this. Don't worry! Any treats used are strictly all natural, no meat, no wheat. If you prefer to provide specific treats or veggies, just let us know. We understand there are some on special diets.

Half Days & Drop Offs

Due to some confusion and the increased interest, our half days are now defined by six hours rather than five. The rate of \$16 does remain the same. We hope this helps. We appreciate all of your help with our 10am drop off deadline. This really has cut down on some pups' stress levels. And it helps guarantee that your pup's friends have a ton of energy to play when he or she arrives!

The Royal Court of the Month....

Bogart, a handsome Australian Shepherd, will be your friend regardless of shape or size. His pomp-pomp tail has been non-stop lately!

Vegas, a tough little cookie, announces her arrival in the morning. She has a lot to say, but gets away with it because of those big brown eyes!

Congratulations to the Kids!!

GOING TO THE VET?

- PLEASE GRAB A COPY OF ANY UPDATED SHOT RECORDS.
- INQUIRE ABOUT THE OFFICE'S POLICY ON BORDETELLA. DO THEY RECOMMEND IT EVERY SIX OR TWELVE MONTHS?

THE PUPPY PALACE - OCTOBER 2009

FACEBOOK

We make every effort to post some great pictures of the kids playing to our Facebook page on a weekly basis. Just search for The Puppy Palace Doggie Day Care or go directly to facebook.com/PuppyPalace. We hope you enjoy them as much as we love taking them!

Canine Flu

Ask your vet about the new Canine Flu vaccination. Looking like it will be required at overnight boarding facilities in the near future. We do not require it as of now. Also, consider vaccinating your pup for Kennel Cough every six months. That also seems to be the new protocol.

Important!

We will be closed on
Thursday & Friday,
November 26th & 27th for the
Thanksgiving holiday.
