Dog Licenses

Thanks to you all for bringing in those dog licenses! After further communication with the dog warden, The Puppy Palace need only have license number on file. So we have a rather lengthy list going. Your dog is not required to wear his/her tags while at day care as long as we have your number & rabies vaccination date on file (which we already require). If you do not have a dog license yet, I would get one ASAP as the Dog Enforcement Officers are slated to visit this month. Licenses can be obtained at various locations listed on the accompanying attachment.

Other Stuff

We will be **CLOSED** on Monday, September 5th for Labor Day.

Need Vaccines? There are many clinics happening in the coming month at a variety of locations. Remember, we do require Rabies, Distemper, and Bordetella.

Outdoor Photo Shoot at Loch Ridge Park with Pooch Smooch on Sunday, Oct. 23rd. Very reasonable, and a great way to get a family photo with your pup! Check our Facebook page now for details. (facebook.com/puppypalace). Spots are filling up quick.

Thank you for voting us Best Pet Day Care in the Lehigh Valley for the 4th Year!!!! See us in the Morning Call on Sun, September 25th!

In Memoriam

On Monday, we lost a dear member of our family. I am unable to describe the void that was left with the passing of Geraldo Vasconcellos, the proud dad of Max the Brittany.

Geraldo was a professor in International Finance since 1988 at Lehigh. His dedication and love of teaching earned him many awards during his career. Outside of work, Geraldo was the devoted husband of 36 years to Margaret and father to Tais and Tiago. His greatest joys included watching soccer, playing with his dog, Max, and reading bedtime stories to his grandson, Aiden. He is survived by his Wife Margaret; daughter Tais, her husband Anthony; grandson Aiden; son Tiago and fiance Rebecca; many brothers and sisters in Brazil; and his loyal dog Max.

On March 26, 2006, he became a part of our family, and I still remember that day fondly. Words cannot describe how lucky and blessed I am to have known such a kind soul. He has forever left his footprint on my staff and me. All of our thoughts and prayers go out to his loving family. Geraldo, you will truly be missed.

-Shannon

Halloween Parade

Join us on Sunday, October 30th for the Annual Halloween Parade!

This year, our theme is **Happy Howlidays!** More details will follow, but we are asking all of our canine friends to participate with a costume symbolic of the holidays (ie Reindeer antlers, Elf Hat, wrapped like a present, snowman, dressed like an ornament). And in an effort to not distract from the 'kids', we will be asking our human participants to be dressed in black and/or denim if you are not feeling festive yourself. After all, it is all about them! And Santa will even be joining us! Please let us know if you need costume help.

Happy Birthday to You!
